About Us

Bharatiya Vidya Bhavan Institute of Management Science (BIMS), Kolkata was established in the year 2000, under the aegis of the prestigious Bharatiya Vidya Bhavan. It has since emerged as a leading B-School affiliated with Maulana Abul Kalam Azad University of Technology (MAKAUT) & approved by AICTE.

Indian Economic Association (IEA) is a registered organization for Indian economics professionals.Founded in December 1917 through the initiative of Charles Joseph Hamilton and other economists in Calcutta.As India's oldest social science association, it serves as a national platform for debating theoretical and policy-oriented economic issues.

ABOUT THE FDP

This FDP aims to enhance educators teaching effectiveness and research competencies through practical, modern methodologies. It covers experiential teaching techniques, case study creation, and both quantitative and qualitative data analysis methods equipping participants to adopt contemporary pedagogical practices and modern analytical tools.

Target audience

The target audience of this Faculty Development Programme includes faculty members, teachers, researchers, academic professionals, and postgraduate scholars from higher education institutions. The programme is particularly relevant for those seeking to adopt innovative and transformative teaching practices and enhance their research skills through advanced research tools and methodologies.
